Key Features

4K UHD HDR: Awarded the 4K HDR Ultra HD logo, all our 4K HDR TVs have been proven to deliver and faithfully display 4K HDR content in all its glory.

TRU Picture Engine: Imagination realized. Discover the true power of exceptional image clarity, enhanced contrast and smoother, more natural on-screen motion. With TRU Picture Engine, you can enjoy life-like picture quality for any on-screen content, including Full HD and HD ready video and live TV.

Dolby Vision HDR: Immerse yourself in the on-screen action with one of our Toshiba Dolby Vision compatible TVs. The preferred HDR video format of movie makers around the world, Dolby Vision uses dynamic metadata to read and calculate exactly the right brightness level for every TV frame.

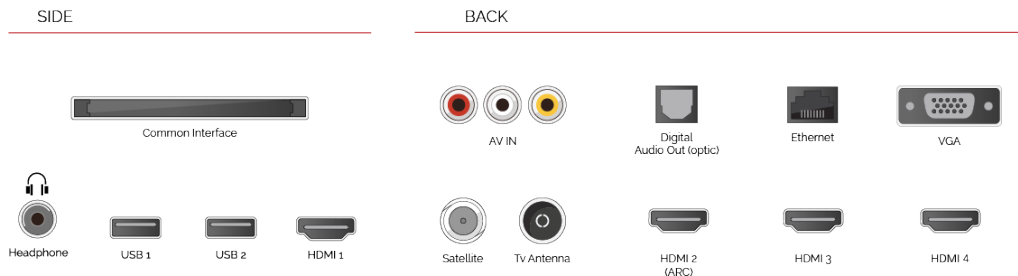

Wide Color Gamut: Experience more power and emotion when you watch TV. With our wide colour gamut models, every scene is displayed with unprecedented, life-like-colour vibrancy. Capable of reflecting up to 1024 shades per colour, they capture hues that are usually merged together and lost on the screen.
